

# PIC<sup>®</sup> 408

The best Piétrain

**PIC<sup>®</sup> 408 – The Piétrain without compromises**

Robust, fast growth, high primal value and conformation, more full value pigs for superior total economy

# PIC<sup>®</sup> 408

## The best Piétrain

The PIC<sup>®</sup>408 is the perfect choice for both - weaner and feeder pig producer - as well as finishing farmers who want to improve the total economy of their operations by optimum feed utilization and vitality of their piglets and finishers without relinquishing the well-known positive properties of Piétrain offspring.

### PROFITABILITY DRIVERS

- Faster and more robust Growth
- Clear advantage in Feed Efficiency
- More vital piglets
- Lower mortality pre-weaning and during finishing
- Excellent Carcass Value
- Smooth and unproblematic finishing
